THE HOLY GRAIL OF CLEANING

The new TANDEM EV1 with 5 bar steam pressure, and HEPA filtration vacuum is a powerful flexible and efficient cleaning devise that is the natural alternative for those who seek an alternative cleaning and sanitizing method to using harsh chemicals.

WHY CLEAN WITH STEAM?

Steam deodorizes and sanitizes with heat and moisture and since the only ingredient required for the EnviroMate TANDEM EV1 is water, cleaning your home or work place has never been safer, healthier or more environmentally friendly.

FEATURES

- 24-piece deluxe accessory kit
- 70 micrometer HEPA filter
- Powerful 70 PSI operating pressure
- 5 minute heat up time
- Adjustable pressure control
